Dear Valued Patient,

I am writing to share that I will be retiring from my orthopedic surgery practice effective **June 1, 2026**.

Since joining Proliance Surgeons Orthopedic Specialists of Seattle in September 2012, it has been an honor and a privilege to care for you and so many others in our community. I am sincerely grateful for the trust you have placed in me over the years. Being involved in your care has been deeply meaningful, and I will always value the relationships and experiences I have had with my patients.

If you require continued treatment for an active foot or ankle condition, I encourage you to transition your care to my partner, **Anthony Yi, MD**, a fellowship-trained orthopedic foot and ankle surgeon. I have complete confidence in Dr. Yi and know he will provide excellent care. For any other orthopedic needs, my partners at Proliance Surgeons Orthopedic Specialists of Seattle are also available to support you.

You can learn more about Dr. Yi and our full team of physicians by visiting our website at [SeattleOrtho.com](http://SeattleOrtho.com).

Your medical records are confidential and will remain on file with Proliance Surgeons Orthopedic Specialists of Seattle as required by law. To request your medical records, please visit [ProlianceSurgeons.com](http://ProlianceSurgeons.com), click on "News & Resources," then select "Medical Records," and follow the instructions listed for patients.

As I step away from practice, I look forward to spending more time with my wife and family. Although this is a significant transition for me, I do so with deep gratitude for the many patients I have had the privilege to serve.

If you have any questions or concerns, or if you would like to schedule an appointment with me prior to my departure, please call **206.633.8100** or request an appointment online at [SeattleOrtho.com](http://SeattleOrtho.com).

Thank you again for your kindness, your trust, and the opportunity to participate in your care. I wish you continued health and all the very best.

Sincerely,  
Mark A. Reed, MD  
Proliance Surgeons Orthopedic Specialists of Seattle
